Silverstream Landfill

Our Team Are On Duty at The Silverstream Landfill!

With the support of Hutt City Council, Earthlink has a team at the landfill to help you dispose of items that we can make use of - This will take the guesswork out of recycling for you.

When you pull up our staff will ask if you have anything for recycling and will help guide you on what we take, and where items should go at the landfill - Heavy metals etc..

Depending on the amount of recyclable goods you're able to drop off, you'll get a voucher which gives you up to 50% off the charge for your load.

Of course, you could save even more if you bring your recyclables directly to us in Wingate!

You'll See Our Team Under the Arch!

Curtain Bank

The aim of the Curtain Bank is to provide free curtains for two rooms to Community Services Card holders. Extra rooms will be considered on a case by case basis.

Where there is a respiratory health issue, this will need to be verified by a health professional. All applicants will be evaluated by the Curtain Bank Coordinator and actioned according to availability of curtains and need.
